

What you Should Have

Each Team will have:

- One Cozmo
- Two cubes
- One ball

Checklist

Follow the steps in the next 2 pages to complete this checklist

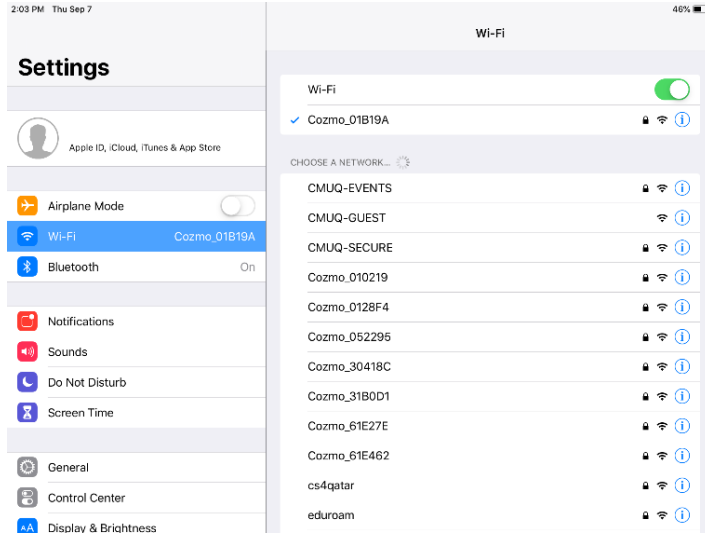

☐ Turn Laptop ON

- ☐ Connect Cozmo wires & iPad wires to laptop
- ☐ Open iTunes
- ☐ Open sublime
- ☐ Save a file on Sublime and name it “cozmo.py”

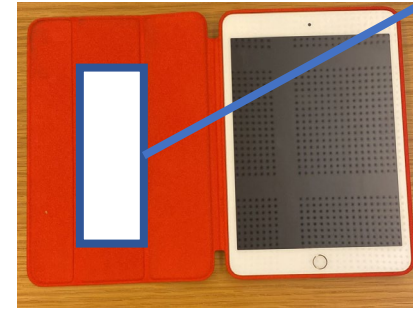

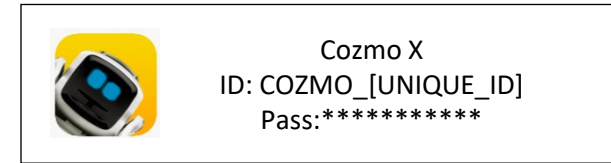

PS: You will write your python code here and run it using ctrl + B

- ☐ Connect the WiFi of the **IPad** to your cozmo
- ☐ Run the Cozmo App

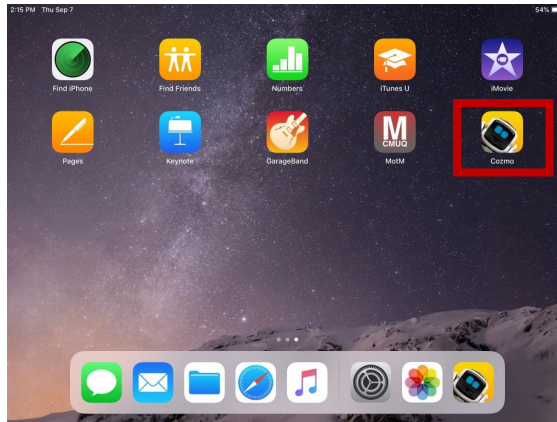

Connecting Cozmo

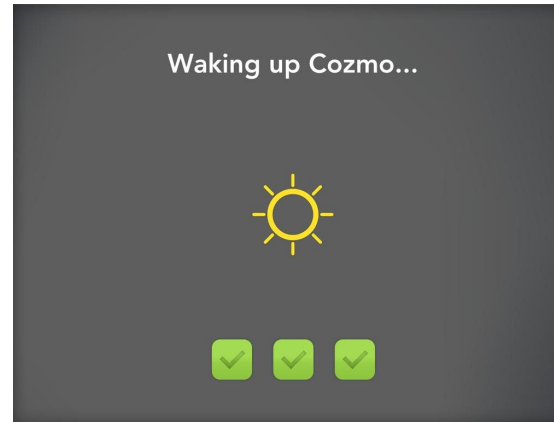

On iPad: Settings → Wi-Fi

Find the WiFi of your Cozmo (COZMO ID shown on your iPad Cover) and select it

Start the Cozmo App

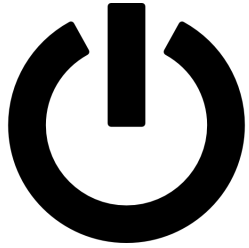

Wait for the connection
(all three green ✓)

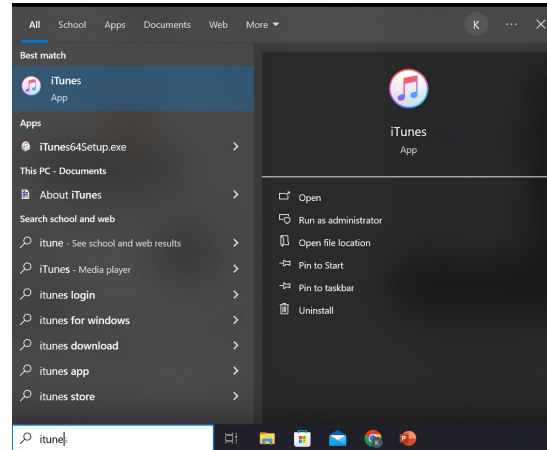

App is up and running

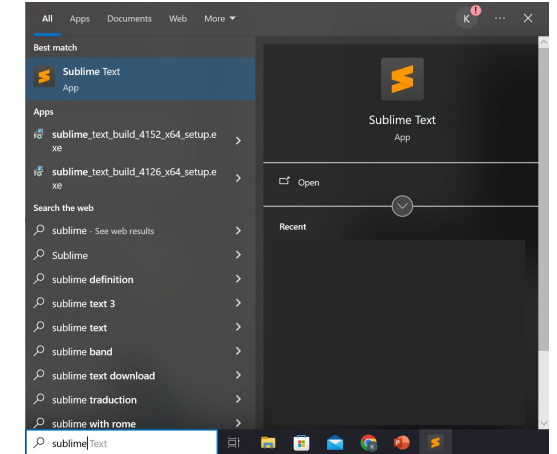

Starting Laptop

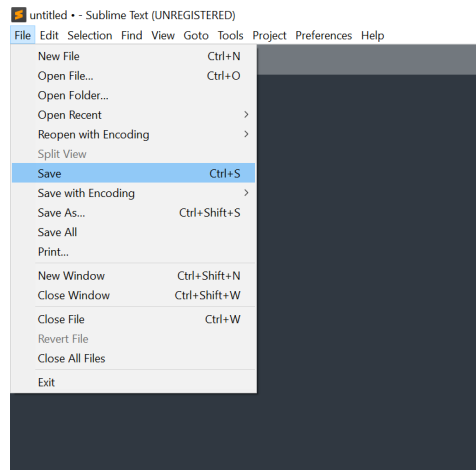

Turn Laptop On
(NO password required)

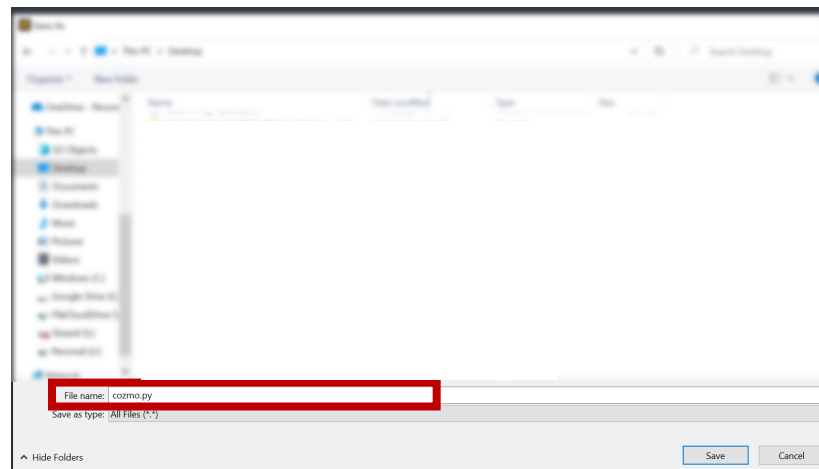

Open iTunes

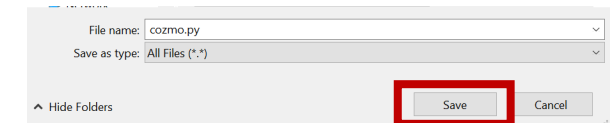

Open Sublime Text

Save file on Sublime

Name file "cozmo.py"

Click Save
